

Messianic Judaica Q & A

Q: What is “Messianic Judaica”?

A: If the Lord is willing, the hope is that one day, Messianic Judaica will be: “An online platform for buying and selling Judaica and general Items, booking classes, and more.” Items will not be limited to Judaica (products related to Judaism – like tallits, head coverings, etc.), or services (sewing classes, baking classes, etc.) but will be highly encouraged.

Q. How will Messianic Judaica work?

A. The ultimate purpose for the site will preferably be for Messianic (all believers in Messiah Yeshua) sellers of goods and online services to join together and post their items to the site. One request that would be made of each seller would be for them to advertise the site to their friends, families, etc. As the site grows and more people would post items to the site and advertise, everyone would benefit together. For potential sellers, the cost of participating would be whatever the Lord puts on your heart to give, with a minimum goal being 10% of whatever they have sold on the site (made as a donation to the ministry), but that is flexible based on individual and family circumstances, and would not be required. Everything on Messianic Judaica would hopefully be on the “honor system”, and “do unto others”, with honesty, dignity, and respect, with glory to God in all things.

Q: When will Messianic Judaica be in operation?

A. This site is still in its planning and development stages, with technical difficulties (loss of data with the crash of the external hard drive in 2023) and a lack of technical abilities being major factors for why the site isn't up and running yet. If you have any knowledge that you can share to help us get the site to be functional, or if you would like to participate as a potential seller, please contact us at yeshuastemple@yahoo.com.

**Thank you so much for your help and prayers,
and may the Lord richly bless you!**
